

PROBLEM ACCOUNT LIST GUIDELINE

1. Introduction

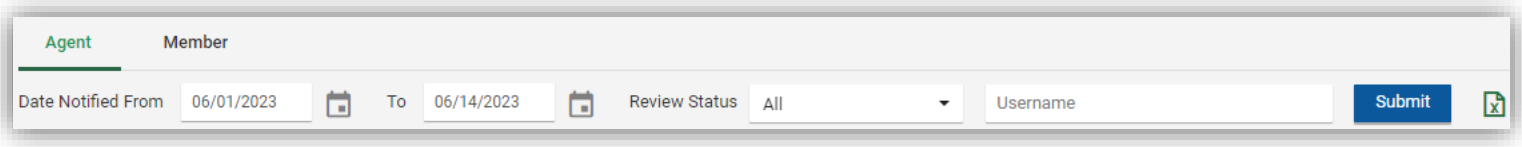

Problem Account List displays the list of downlines that are marked as "problem accounts" due to their abnormal actions or behaviors.

2. Problem Account List instructions

Step 1: Go to **Main Menu > Member Information > Problem Account List**

Step 2: Filter the problem accounts based on your needs

- **Date Notified**: filter the list by date range during which the downline is marked as a problem account.
- **Review Status**: filter the list by Review Status:
  - **Reviewed**: only shows the problem accounts that are already reviewed.
  - **Not Reviewed**: only shows the problem accounts that are not reviewed yet.
- **Username**: filter the list by the username of the downline.

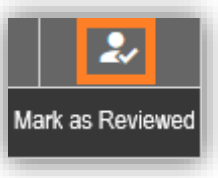

Step 3: Set Review Status (from **Not Reviewed** to **Reviewed**)

No.	Username	Nickname	First Name	Last Name	Status	Date Notified	Problem Member Accounts	Review Status	
1	Agent01				Open	06/13/2023 23:40	5	Not Reviewed	☐
2	Agent02				Open	06/13/2023 23:40	3	Not Reviewed	☐
3	Agent03				Open	06/13/2023 23:40	0	Reviewed	

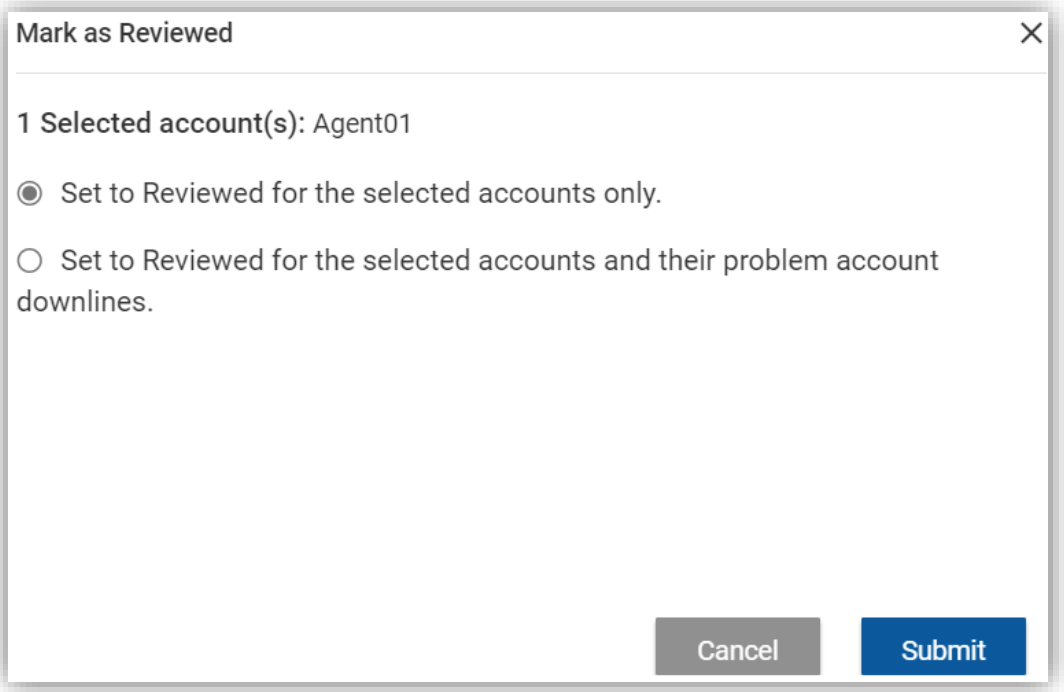

Select the downline(s) you want to set the Review Status:

No.	Username	Nickname	First Name	Last Name	Status	Date Notified	Problem Member Accounts	Review Status	
1	Agent01				Open	06/13/2023 23:40	5	Not Reviewed	☑

Hover and click on the **Mark as Reviewed** icon:

Select your option and click **Submit**:

After that, you have successfully set the Review Status for the selected downline(s).
